The

TENORSAX

of

GEORGE HOLMES TATE
“BUDDY”

Solographer: Jan Evensmo
Last update: Oct. 6, 2018
Born: Sherman, Texas, Feb. 22, 1914  
Died: Chandler, Arizona, Feb. 10, 2001  

Introduction:  
We became familiar with Buddy Tate very early through his recordings with Count Basie. I met him once, many years ago, at the Molde International Jazz Festival. He was a very kind man, and when he realized I was doing some useful work on jazz tenor saxophone, he invited me to his hotel room for whisky. We had a very nice time together in the light summer night of Norway!

Early history:  
His brother, a saxophonist, gave Buddy an alto in 1925. Two years later began gigging with McCloud's Night Owls (led by his cousin, trumpeter Roy McCloud). In 1929 played for several months in Wichita Falls with the St. Louis Merrymakers, later that year joined Troy Floyd's Band in San Antonio. Briefly with Gene Coy's Band, then with Terrence Holder's 12 Clouds of Joy from 1930-33. Worked with E. J. Malone and his Rhythm Kings (early 1933), Wesley Smith's Band, 'Tan Town Topics', and Ethel May's Band before joining Count Basie in Little Rock, Arkansas (ca. July 1934). From late 1934 until early summer 1935 with Andy Kirk, played with band at Wiley College, Texas, then long spell with Nat Towles until joining Count Basie in spring 1939. Remained with Basie until September 1948, brief return in early 1949, then for the rest of that year worked mostly with Hot Lips Page, occasionally with Lucky Millinder. With Jimmie Rushing (1950-52), then formed own band in 1953 which was resident at the Celebrity Club, New York for over 20 years. Occasional reunions with Count Basie and to Europe with Buck Clayton’s All Stars in 1959 and 1961 (ref. John Chilton).

Pannassie Stomp  Solo with orch 64 bars. (FM)
Shout And Feel It  Solo with orch 8 bars. (FM)

After Herschal Evans' untimely death, Count Basie found a permanent and effective replacement in George "Buddy" Tate. It seems that his style was ideally suited for his job, which was to continue the Basie tradition of featuring two tenorsaxophonists. To be Lester Young's main opponent and to replace Herschal seems to me the most frightening task in jazz history! However, Buddy Tate took the challenge bravely, and established himself right away as an important new tenorsax voice. His first solo, "Rock-A-Bye Basie", shows his style clearly as being mainly rhythmically oriented, with a big, husky sound not unlike his predecessor's. He is a Texan swinger, heavy but inspired and inspiring. His very opening note tells a lot about how the music was to be played in the following half century! "Jump ..." has a fine atmosphere, featuring BT in the bridge of Basie chorus, but the phrasing stumbles a little bit. Perhaps the "Miss ..." is more noteworthy? The brief parts in "Pound ..." are groovy but really too brief, while "Taxi ..." is interesting for its two takes. For BT, they certainly are different but not impressively so. In all, an interesting tenorsax debut! Postscript: The Bill Savory collection gives us some more BT, note in particular his long and strong solo on "... Stomp".

NYC. Aug. 4, 1939

Personnel as March 19, 1939.
Four titles were recorded for Vocalion, no BT.

NYC. Nov. 6/7, 1939

Same. Eight titles were recorded for Okeh/Columbia, two have BT:

26278-1 Riff Interlude
Solo with orch 24 bars. (FM)

26278-2 Riff Interlude
As above. (FM)

26278-3 Riff Interlude (NC)

26278-4 Riff Interlude

Solo with orch 32 bars. (FM)

26281-6 Ham’n Eggs
As above. (FM)

26281-7/A Ham’n Eggs
As above. (FM)

Comments to 78 rpm. issues: Two colourful soli with "... Eggs" as my favorite. Here you really feel the old Evans' attack has been reborn. "Riff ..." is somewhat more restrained, but still an interesting performance. Postscript: As with Pres, this session became much more exciting with alternate takes, and BT also creates exciting variations in his soli.

COUNT BASIE & HIS ORCHESTRA
Glendale, Ca., Nov. 3, 1939

Personnel as usual.
Broadcast from Glendale Civic Auditorium, three titles have BT:

Swinging The Blues
Solo with orch 24 bars. (F)

One O’Clock Jump
Solo 12 bars. (M)

Pound Cake
Solo 12 bars. (FM)

JAM SESSION
NYC. Dec. 24, 1939

Personnel: CB orchestra plus a lot of others.
John Hammond's Carnegie Hall Concert No. 2.

Lady Be Good
No solo.
IDA COX ACCOMPANIED BY

NYC. Dec. 24, 1939

an aggregation of instrumentalists, including Shad Collins (tp), Dicky Wells (tb), Buddy Tate (ts), Walter Page (b), Jo Jones (dm).

John Hammond's Carnegie Hall Concert No. 2.

'Tore Day Creep Part of collective obbligato 72 bars. (SM)

Badly recorded, and previously believed to be a Prez item. However, I can, with great difficulties, hear BT.

"SPIRITUALS TO SWING"

NYC. Dec. 24, 1939

A second title with Ida Cox (vo) has appeared:

Low Down Dirty Shame Part of collective obbligato 4 choruses of 12 bars. (S)

same

One title with COUNT BASIE & HIS ORCHESTRA and Jimmy Rushing (vo) has appeared:

Stealin' Blues Obbligato with tb (Dicky Wells) 8 choruses of 12 bars. (M)

same

Two titles with COUNT BASIE & HIS ORCHESTRA, the Count replaced by James P. Johnson (p) and Helen Humes (vo):

Old Fashioned Love No solo.

If I Could Be With You No solo.

BT's tenorsax is neatly integrated with Dicky Wells' trombone behind the vocals, and also with Shad Collins' trumpet on "... Shame", thus his playing is not easy to study. However, he seems in good shape, and particularly "Stealin' ..." is jumping.

COUNT BASIE AND HIS ORCHESTRA

Boston, Feb. 20, 1940

Buck Clayton, Al Killian, Harry Edison, Ed Lewis (tp), Vic Dickenson, Dan Minor, Dicky Wells (tb), Earl Warren (as), Buddy Tate, Lester Young (ts), Jack Washington (as, bar), Count Basie (p, ldr), Freddie Green (g), Walter Page (b), Jo Jones (dm), Jimmy Rushing, Helen Humes (vo).

NBC broadcast from The Southland Cafe.

Eight titles, two have BT:

Riff Interlude Solo 24 bars. (FM)

Baby Don't Tell On Me Obbligato with tb 36 bars (vo-JR). (M)

The "Riff ..." is astonishingly different from the record version; maybe not better but certainly more informal and exciting. The successful cooperation with Dicky Wells on "Baby ..." is yet another piece of cake you should try!

COUNT BASIE AND HIS ORCHESTRA

Boston, Feb. 28, 1940

Same. Bill Savory collection, two titles:

One O'Clock Jump Solo 12 bars. (M)

One O'Clock Jump Solo 12 bars. (M)

COUNT BASIE AND HIS ORCHESTRA

Boston, March 1940

Personnel as Feb. 20, 1940.

WBZ broadcasts from The Southland Cafe.

The following items feature BT:

March 7, 1940

Green Bay (NC) Solo 32 bars. (FM)

March 9, 1940

One O'Clock Jump (NC) Solo 12 bars (NC). (M)

March 12, 1940

Basin Street Blues Solo 6 bars. (SM)

Topsy Solo with orch 16 bars. (FM)
Doggin' Around  
Solo 32 bars. (F)

Tickle Toe  
Soli 8 and 6 bars. (FM)

BT seems to be inspired on these broadcasts, note the beautiful "Basin Street ..."!
Also fine "Doggin' ...", "... Bay" and "Topsy", while "Tickle Toe" has a damaged introduction with BT just escaping the mess.

**COUNT BASIE AND HIS ORCHESTRA**  
NYC. March 19, 1940

Personnel as Feb. 20, 1940.

Four titles were recorded for Columbia/Okeh, one BT solo item:

26656-A Tickle Toe  
Solo 8 bars. (FM)

NYC. March 20, 1940

Same. (26661: BT, trumpets and rhythm only).

Three titles were recorded, two have BT:

26660-A Let Me See  
Solo 32 bars. (F)

26660-B Let Me See  
As above. (F)

26661-A Blues  
Soli 12 and 36 bars. (M)

NYC. May 31, 1940

Same plus Tab Smith (sop, as).

Four titles were recorded, two have BT:

26871-A Gone With "What" Wind  
Solo 24 bars. (FM)

26871-B Gone With "What" Wind  
As above. (FM)

26872-A Super Chief  
Solo 32 bars. Break 2 bars. (FM)

hi. Aug. 8, 1940

Personnel as Feb. 20, 1940.

Six titles were recorded, two have BT:

3255-1 The World Is Mad Part I  
Solo 24 bars. (FM)

3257-1 Moten Swing  
Solo 8 bars. (FM)

On these sessions there are a lot of memorable BT soli, in fact, it seems that the quality of his playing is ascending. While "Tickle Toe" always will be remembered for Prez, we shall not forget that he is preceded by a very inspired Tate, giving forth a brief but well constructed solo. The most prominent item is perhaps the groovy and original "Blues", typical Tate! The "Super Chief" also has a very good solo, and note here the bridge where the influence of Lester Young is unusually prominent!! "... Wind" is also good, with a specially attractive phrase in the beginning of the second chorus, but this is probably planned, since the two takes have great similarities. Two long versions of "Let Me See" and a more ordinary "The World ...": Together, we have here some of the most important examples of the young BT.

**JAM SESSION**  
NYC. Aug. 12, 1940

Tab Smith, Willie Smith (as), Herbie Fields (cl, ts), Buddy Tate, Joe Thomas, Skippy Williams (ts), Sonny Burke (p), George Simon (dm).

Recorded by Jerry Newman at Minton's Playhouse. Dated as Jan. 1941 on Xanadu 112 (items 4 and 5).

I Found A New Baby  
Solo 64 bars (2nd tenorsax solo). (F)

I Surrender Dear  
Solo 32 bars (1st (ts-solo). (SM)

The Blues  
Solo 12 bars (2nd tenorsax solo), then cut in second chorus. Acetate starts again, then solo 12 bars. (SM)

Body And Soul  
Solo 3 choruses of 32 bars to coda. (SM)

On The Sunny Side Of The Street  
No solo.

BI is inspired on this unique sax jam session, and plays competently on all items. Up for particular attention is his solo feature number "Body And Soul", played very nicely in the footsteps of many tenorsax giants.
COUNT BASIE AND HIS ORCHESTRA  
NYC. Oct. 30, 1940
Personnel as Feb. 20, 1940.
Four titles were recorded for Okeh, no BT.

NYC. Nov. 19, 1940
Same. Four titles were recorded for Okeh, one has BT:

29088-1  Love Jumped Out  Solo 16 bars. (M)
29088-2  Love Jumped Out  As above. (M)
29088-3  Love Jumped Out  As above. (M)

Three groovy alternates on this "Love ...!"

JAM SESSION  
NYC. Dec. 7, 1940
Buck Clayton (tp), probably Herbie Fields (cl, ts), Earl Warren (as), Buddy Tate (ts), Clyde Hart (p), unknown (b), J.C. Heard (dm).
Recorded by Jerry Newman.

I Got Rhythm  Solo 64 bars (1st tenorsax solo). (F)
China Boy  Solo 32 bars (2nd tenorsax solo). (FM)
Tea For Two  Not available.
Lady Be Good  Soli 32 and 32 bars. (FM)

Note: Another tenorsax performer takes solo 96 bars on "I Got Rhythm" and 64 bars on "China Boy", not too exciting. Probably Herbie Fields.

This jam session looks very interesting on paper, but is somewhat disappointing, not even my favorite piano player Clyde Hart gets things going here, nor Buck with his trumpet. The tempo on "... Rhythm" is too fast for BT.

COUNT BASIE AND HIS ORCHESTRA  
NYC. Dec. 13, 1940
Buck Clayton, Harry Edison, Al Killian, Ed Lewis (tp), Vic Dickenson, Dan Minor, Dicky Wells (tb), Earl Warren (as), Tab Smith (sop, as), Paul Bascomb, Buddy Tate (ts), Jack Washington (as, bar), Count Basie (p), Freddie Green (g), Walter Page (b), Jo Jones (dm), Jimmy Rushing, Helen Humes (vo).
Four titles were recorded, one has BT:

29247-1  Stampede In G Minor  Solo 18+8 bars, tp on bridge. (FM)
29247-2  Stampede In G Minor  As above. (FM)
29247-3  Stampede In G Minor  As above. (FM)

This is BT at his very dynamic best in three different versions. They have the necessary differences, I prefer take 2 for its second eight.

JAM SESSION  
NYC. Dec. 15, 1940
Buddy Tate (ts), Leonard Feather (p), Charles Drayton (b).
Recorded by Jerry Newman, not available.

The Man I Love
Blue And Sentimental

COUNT BASIE AND HIS ORCHESTRA  
NYC. Jan. 20, 1941
Personnel as Dec. 13, 1940, except Ed Cuffee (tb), Don Byas (ts) replace Dickenson and Bascomb.

29521-2  It's Square But It Rocks  As above. (M)

29521-4  It's Square But It Rocks  As above. (M)

NYC. Jan. 28, 1941

Same. Six titles were recorded for Okeh, but no BT.

NYC. April 10, 1941

Same plus Coleman Hawkins (ts).
Five titles were recorded for Okeh, but no BT.

Here one should note four different takes of “Beau ...”, each a little bit different from the others.

JAM SESSION AT CARNEGIE HALL NYC. April 23, 1941

The following musicians have been positively identified (ref. Sheridan):
Buck Clayton, Charlie Shavers (tp), J. C. Higginbotham, Will Bradley (tb), Buster Bailey (cl), Tab Smith (as), Don Byas, Buddy Tate (ts), Count Basie, Pete Johnson (p), Freddie Green (g), Walter Page (b), Jo Jones (dm).
Cafe Society concert, Carnegie Hall. AFRS No. J 15-A. Two titles, “One O’Clock Jump” and “Blues” but no BT (former has a tenorsax solo earlier attributed to BT but is in fact by Don Byas).

COUNT BASIE AND HIS ORCHESTRA NYC. May 21, 1941

Personnel as Jan. 20, 1941, except Kenny Clarke (dm-30520, 21).
Four titles were recorded for Okeh, two have BT:

30523-1 I’m Tired Of Waiting For You Solo 8 bars. (M)
30523-2 I’m Tired Of Waiting For You As above? ( )
30521-1 Down, Down, Down Solo 8 bars. (M)
30521-2 Down, Down, Down As above. (M)
30521-3 Down, Down, Down As above. (M)

NYC. July 2, 1941

Same, except Eli Robinson, Robert Scott (tb) replace Minor and Wells.
Four titles were recorded for Okeh, two have BT:

30831-1 One-Two-Three-O’Lairy Soli 4 and 4 bars. (M)
30831-2 One-Two-Three-O’Lairy As above. (M)
30831-3 One-Two-Three-O’Lairy As above. (M)
30831-4 One-Two-Three-O’Lairy As above. (M)
30831-5 One-Two-Three-O’Lairy As above. (M)
30834-1 Diggin’ For Dex Solo 16 bars. (FM)
30834-2 Diggin’ For Dex As above. (FM)
30834-3 Diggin’ For Dex As above. (FM)

Probably some jazz enthusiasts, even among the most crazy ones, find that five takes of “...O’Lairy” is too much! Well, not necessarily, if you take all ten tenorsax soli in sequence, then you will think otherwise, maybe even start to understand what improvising is all about! They are all quite sufficiently different and maybe take 5 is the best for BT? Good soloing also on the other items.

COUNT BASIE AND HIS ORCHESTRA NYC. July/Aug. 1941

Personnel as July 2, except Dicky Wells replaces Cuffee.
RCM film soundtracks “Air Mail Special” and “Take Me Back Baby”, but no BT.

Every Tub                           Solo 8 bars. (F)  

Particularly "... Ten" and "Love ..." have some juicy BT.

The 78 rpm items are not among the most remarkable, but there are some nice moments here and there. To be preferred is the extended "... Sand ...", and maybe also "Down ...".

Possibly the most colorful Basie band performance in the early forties, and never have we met BT in such an inspired mood. Many of the titles exist in numerous versions, but the "... Sand, Man", "Swingin' ..." and "... Yesterdays" you hear here are quite special. He plays with a stronger vibrato than usual and conquers heights otherwise beyond his reach. Memorable!!

Harvard Blues  Solo 24 bars. (SM)

NYC. Feb. 26, 1945

BT continues his relationship with Basie, and he has many solo opportunities. He never was one of the great creators on his instrument, but he works efficiently in the bigband context, and each solo is quite nice, it's just that they are so alike! Nevertheless, to contradict myself, while you believe you know BT's formulas, he never plays exactly the same solo, even on familiar songs. The four takes of "Avenue C" and an airshot in addition is evidence good enough; there are plenty of variations. Note also "Playhouse ..." on VDisc, here BT gets two full choruses and makes the most of the opportunity.

It is interesting to meet BT in the boppish and quite different surroundings from what we are used to, and it seems that he is mightily inspired by the occasion. His three soli are all well worth noticing, and "Peek-A-Boo" is a real highlight.

Six titles, but no BT.

NYC. Aug. 9, 1946

Same. Four titles were recorded for Columbia, but no BT.
NYC. Aug. 16, 1946

Same. AFRS ONS No. 1220 from the Aquarium Restaurant.

Six titles, two have BT:

Swing Shift
Solo 34 bars. (FM)

One O'Clock Jump
Solo 24 bars. (M)

BT does not play so many soli in this period, but the discovery of alternate takes makes some basis for interesting comparisons. Again it should in all fairness be stated that there are significant differences everywhere, even if the self-imposed constraints on his playing prohibit any great discoveries or surprises.

JIMMY RUSHING ACCOMPANIED BY JIMMY MUNDY AND HIS ORCHESTRA

LA. 1946

Four titles were recorded for Excelsior, no BT on "Thursday Blues", "Goodmorning Blues" and "I Want A Little Girl", but:

I Gotta Have You, That's All
Soli 2 and 2 bars. (SM)

Highly enjoyable records but only a few bars of tenor saxophone.

JESSE PRICE AND HIS BLUES BAND

LA. Oct. 1946

Snooky Young (tp), Gene Porter, Buddy Tate (ts), Allen Beal (p), Nappy Lamare (g), Bill Davis (b), Al Wichard (dm), Jesse Price (vo).

Four titles were recorded for Capitol:

1473-3 I'm The Drummer Man
Solo 12 bars. (SM)

1474-5 Froggy Bottom
Solo 12 bars (1st (ts)-solo). (M)

1475-5 Big Town Blues
Intro 4 bars. Obbligato 12 bars. (S)

1476-3 Just Another Day Wasted Away
Solo 16 bars. (M)

It seems that BT is enjoying himself immensely, maybe the Basie band was a kind of prison after all? The soloing is simple but inspired.

Pasadena, Ca., Nov. 12, 1947

AFRS Jubilee No. 245/287. Eight titles, two have BT:

One O'Clock Jump (Theme) Almost inaudible. (M)
9:20 Special Solo with orch 32 bars. (FM)

Probably same date

Twelve additional titles, AFRS JJ 18, no info.

BT is not much featured with the Basie band these days, and although we have heard his ideas many times before, it is a pleasure to have him so inspired as in his three blues choruses on “Seventh Avenue ...”.

BUDDY TATE AND HIS ORCHESTRA LA. Dec. 6, 1947

Emmett Berry (tp), Ted Donnelly (tb), Charles Q. Price (as, vo), Buddy Tate (ts), Bill Doggett (p), Louis Speiginer (g), Benny Booker or Billy Hadnott(b), Chico Hamilton (dm), Eddy Fulllylove (vo-122-A3/B2).

Seven titles were recorded for Supreme:

118-A1 Vine Street Breakdown Solo 18 bars. (M)
118-A4 Vine Street Breakdown As above. (M)
119-A2 The Things You Done For Me Baby Obbligato 12 bars. (S)
119-B3 Ballin' From Day To Day Intro 4 bars to solo 24 bars. Coda. (S)
120-A2 Tate's A Jumpin' Solo 64 bars. (F)
120-A4 Tate's A Jumpin' As above. (F)
120-B Fair-Weather Friend Solo 24 bars. (S)
122-A3 When The Mission Bells Ring No solo.
122-B2 My Big Thrill No solo.

At last, BT leads a recording date in his own name, 32 years of age, and he makes the most out of the opportunity! Even if the music has strong connections to the Basie band, it has an unusual freshness, and he is obviously very inspired. Except from ”... Local” which I find somewhat forced and with few variations between takes, this is BT at his best, the easy swinging "Vine Street ..."s feature him to better advantage than most Basie recordings, and the slow ”... Baby” and ”... Day To Day”, which is a variation on "Harvard Blues" are really nice. ”... Friend” seems to be an alternate take of "... Day To Day" with guitar instead of piano accompanying the vocal and without intro and coda. To sum up: This is BT at his very best, playing with a feeling not possible in the Basie band.

Postscript:
The appearance of Swingtime NTI CD7023, promising several alternate takes, makes it necessary to clear up the situation:

Two unreleased alternates are promised on “Vine Street Breakdown”. However, track 1 is identical to the previously issued 118-A1. So we have only one new item:

118-A2 Vine Street Breakdown Solo 18 bars. (M)
Track 14

Another title, hitherto unissued, also appears:

123-A For You My Beloved Solo 3 bars. (S)

However, the promised alternates of “The Things You Done For Me Baby” and “Ballin’ From Day To Day” are identical to previously issued 119-A2 and 119-B3 respectively. Even worse: Track 4 “Tate’s A-Jumpin’” is not at all 120-A and features another tenorsax player reminding me of Arnett Cobb. Then, “Fairweather Friend Blues” is not at all the 120-B “Fair-Weather Friend” in my book but featuring another tenorsax player. Finally: Track 11, 112 Frogomore Blues” is to be found under tenorsax player Charles Thomas!

Postscript of Feb. 2015: More music has appeared from this session: There are altogether five takes of “For You My Beloved”, all having 3 bars of BT. There are five takes of “When The Mission Bells Ring” and four takes of “My Big Thrill” but
There are six takes of a new vocal title “Big Brown Eyes” but no BT. And there is a new Eddy Fullylove-vocal tune:

**COUNT BASIE AND HIS ORCHESTRA**  
**LA. Dec. 8/9, 1947**  
Personnel as Oct. 19.  
Seven titles were recorded for Victor, one has BT:

BT's final studio recording sessions with the Count pass rather unnoticed with a pleasant solo on "Money ..." as a worthy goodbye.

**BUDDY TATE AND HIS ORCHESTRA**  
**LA. Dec. 28, 1947**  
Same personnel plus Jimmy Witherspoon (vo).  
Six titles were recorded for Supreme, 127-B issued as JOAN SHAW (vo):

The good impression from the previous BT session is continued, particularly on "Early Morning ...", a lovely slow blues. "Blue ..." is exactly what you expect and therefore nevertheless a disappointment, although the music is nice. In all, this session cannot quite compare with the one three weeks earlier, but listening is quite worthwhile. With regard to "Rain ..." however: This is really a sensational discovery!! Never before have we heard BT play softly in a ballad mood like this, and he does it with such style and sweetness. Again one is reminded of how little we really know of what happened back in the old days, and how incomplete our perception of the great jazz performers really is.

Postscript:  
This session also needs more treatment due to Swingtime NTI CD7023:

"Kansas City Local” and “Blowin’ For Snake” are two takes of the same tune, as stated in my book, and track 6 with the first title is identical to 125-A3 in my book. However, track 10 with the second title is different from 125-A5 in my book! Thus a new item:

<table>
<thead>
<tr>
<th>Title</th>
<th>Take</th>
<th>Duration (bars)</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Blowin’ For Snake</td>
<td>A2</td>
<td>16 and 32</td>
<td>(M)</td>
</tr>
</tbody>
</table>

Track 10  
Note that the layout difference; in this recent discovery the trombone gets 16 bars, compared to 8 bars on the other two.

There is also a new version of:

<table>
<thead>
<tr>
<th>Title</th>
<th>Take</th>
<th>Duration (bars)</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Six Foot Two Blues</td>
<td>A2</td>
<td>36</td>
<td>(M)</td>
</tr>
</tbody>
</table>

Track 8  
Note that BT now takes three choruses, compared to two choruses on the previously released take.
Finally, the promised alternates of “Early Morning Blues” and “Blue And Sentimental” in fact are identical to previously issued 125-B1 and 129-A2 respectively.

Note that “Rain In My Eyes”, listed on p. 348, in fact is 127-B and belongs to the Dec. 28 session.

So the CD gives us three new alters with BT, not eleven as stated.

Postscript: The Swingtime NTI CD7008 has a third take of:

126-A?? Six Foot Two Blues Solo 24 bars. (S)

Postscript of Feb. 2015: More music has appeared from this session. There are six takes of a new Joan Shaw-vocal tune, “Only You” but no BT. There is a new Jimmy Witherspoon-vocal tune, and an alternate of an old favourite:

Things You Have Done For My Baby Obbligato 12 bars. (S)

Blue And Sentimental alt. As above. (S)

Note that this nice version of “Blue …”, while having the same setup for BT, omits the guitar solo.

COUNT BASIE AND HIS ORCHESTRA Pasadena, Jan. 1948

Nineteen titles, six have BT:

X-1 Solo with orch 30 bars. (FM)
Royal Garden Blues Brief breaks. Solo 24 bars. (FM)
Spasmodic Solo 32 bars. (F)
One O’Clock Jump Solo 36 bars. (M)
9:20 Special Solo 28 bars. (FM)
One O’Clock Jump Solo 36 bars. (M)

This seems to be BT's final session with Count Basie, whom he served so well for almost a decade. He never achieved status as a great improvisor, but his swinging horn has spread lots of joy. And he is steadily developing, if slowly, his soloing on these programs is good and compared to the 1939 recordings you will note a subtle but positive difference in quality.

BUDDY TATE NYC. 1948/1949
Buck Clayton (tp), Eli Robinson (tb), Bernie Peacock (as), Buddy Tate (ts), Skip Hall (p), Harry Butts (b), Harold Austin (dm), Dick Barrow (vo-161).

Two titles (or more) were recorded for Supreme, no BT on 161 “Dear Mary” but:

158 Swingin’ With Willie And Ray Solo 40 bars. (M)

Fine jumping here on “… Ray”.

HOT LIPS PAGE NYC. March 15, 1949
Hot Lips Page (tp, vo), Jimmy Buxton (tb), Vincent Bair-Bey (as), Buddy Tate (ts), Skip Hall (p), Walter Page (b), Charles Smith (dm).

Four titles were recorded for Columbia, one has BT:

40528 Jeeti-Boat Joad Solo 6 bars. (M)
40528-alt. Jeeti-Boat Joad As above. (M)

LOUMELL MORGAN NYC. May 6, 1949
Buddy Tate (ts), Loumell Morgan (p, vo), Johnny Johns (g), Jimmy Smith (b), Herman Bradley (dm).

Four titles were recorded for Manhattan, unissued.

SAMMY PRICE AND HIS ROCKING RHYTHM NYC. July 7, 1949
Buck Clayton (tp), Vincent Bair-Bey (as, bar), Buddy Tate (ts), Sammy Price (p), Billy Taylor (b), Sid Catlett (dm), Jesse Perry (vo).

Four titles were recorded for Vocalion, two issued, no BT on "Ain’t Nobody's Business" but:
BT seems to thrive like a fish in the water on this r&b date! Read my comments to the following Skip Hall session, which I heard before this one!

**SKIP HALL AND HIS BAND**  
**NYC. 1949**  
Buck Clayton (tp), George Stevenson (tb), Vincent Bair-Bey (as), Buddy Tate (ts), Dave McRae (bar), Archie "Skip" Hall (p, arr), Walter Page (b), Herbie Lovelle (dm), Warren Evans (vo).  
Six titles were recorded for Jamboree, four issued:

- **J1001 Two Left Feet**  
  Solo 24 bars. (M)

- **J1003 Skip A Page**  
  Solo 24 bars. (M)

- **J1005 Hey Bruz**  
  Soli 16 and 8 bars. (M)

- **J1006 The Spot**  
  Solo 12 bars. (SM)

BT has taken the step into the r&b groove, and believe it or not, it seems a step forward! He must have been quite fed up after ten years in Basie's reed section, and this seems a new challenge. His heavy approach is well suited for this kind of music, and his blues scores here are very attractive. He seems to be inspired in a way we haven't heard for a long time, and his simple playing is more emotional and more exciting than many of the hotter names in this musical idiom. I believe this music made him feel good and paved the way for his comeback later as one of the most appreciated mainstream tenorsaxophonists.

**RENE HALL SEXTETTE**  
**NYC. Dec. 1949**  
Reunald Jones (tp), Bobby Green, Buddy Tate (ts), Edwin Swanston (p), Rene Hall (g), Billy Swanston (b), Bobby Donaldson (dm).  
Six titles were recorded for Jubilee:

- **Blowin' Awhile**  
  Soli 12 and 12 bars (1st and last (ts)-soli). (M)

- **Rene's Boogie**  
  No solo.

- **Blue Creek Hop**  
  Soli 4 and 32 bars (preceding BG). 64 bars chase/duet. (FM)

- **Chitlin' Switch**  
  Solo 12 bars. (SM)

- **Downbeat**  
  Solo 8 bars. (M)

- **Jubilee Jump**  
  Soli 16 and 4 bars. (M)

A good mainstream session with both r&b and modern elements, and BT seems to thrive under the circumstances. "... Switch" is his best item, but there is also colourful playing, interacting with BG, on "... Awhile" (a "terrific jump smash" according to CD liner notes) and "... Hop" in particular.

**MAX "SCATMAN" BAILEY WITH BUDDY TATE's ORCHESTRA**  
**NYC. Dec. 1949**  
Personnel probably as for Rene Hall above.  
Two titles were recorded for Domino:

- **D-305 Irene's Blues**  
  Obbligato "sounds" before and after faint acc. to (g) solo. (S)

- **D-308 Put Your Money Where Your Mouth Is**  
  Obbligato "sounds" before and after solo 12 bars. (SM)

On most of this session BT is just luring behind the vocal, but his personal sound is easily recognized, and when he appears with a blues chorus on "... Money ..." he is terrific!

**MAX BAILEY VOCAL ACC. BY BUDDY TATE's ORCHESTRA**  
**NYC. March 1950**  
Personnel suggested as Reunald Jones (tp), Bobby Green, Buddy Tate (ts), Ed Swanston (p), Rene Hall (g), Bill Swanston (b), Bobby Donaldson (dm). However, Dicky Wells (tb) is certainly present!  
Two titles were recorded for Domino, no tenorsax on "Rebekah" but:

- **D-369 Leave It Alone**  
  Solo 36 bars. (M)
Fine jumping here, note particularly the start of the second blues chorus!

**MADELINE GREENE VOCAL ACC. BY RENÉ HALL’S BAND**

NYC. March 1950

Bobby Greene, Buddy Tate (ts), Edwin Swanston (p), Rene Hall (g), Bill Swanston (b), Bobby Donaldson (dm), The Magicords (vo).

Two titles were recorded for Domino 310-11, not available.

**JOSEPH "GOOGLE EYES" AUGUST**

NYC. early 1950

Personnel as Rene Hall above, Joseph August (vo).

Two titles were recorded for Domino:

D-317  
Cryin' For You
Obbligato 12 bars. (S)

D-319  
Rock My Soul
Solo 24 bars to fade out. (M)

Good contributions from BT here.

**BUDDY TATE'S ORCHESTRA**

NYC. April 1950

Tyree Glenn (tb), Buddy Tate (ts), Luther Henderson (p), Everett Barksdale (g), Milton Orient (b), Jack Bemis (dm), Eddie Banks (vo).

Two titles were recorded for Columbia:

43167  
Heart Breakin' Baby
Solo 12 bars. (S)

43168  
Rock With Me Mamma
Solo 12 bars. (M)

Very nice, groovy playing on "Heart ...", and also on "... Mamma", but ...., we have heard it before.

**JIMMY RUSHING VOCAL ACC. BY**

Philadelphia, Spring 1950

Emmett Berry (tp), Vic Dickenson (tb), Rudy Powell (as), Buddy Tate (ts), Bill Doggett (p), Walter Page (b), Jo Jones (dm).

Four titles were recorded for Gotham:

JR1  
Lotsa Poppa
Solo with ens 12 bars. (M)

JR2  
Fool's Blues
Solo with ens 12 bars. (M)

JR3  
Hey Miss Bessie
Break to solo 24 bars. (M)

JR3  
Hey Miss Bessie (alt.)
As above. (M)

JR4  
Ain't It Lonesome
Solo with ens 12 bars. (S)

JR4  
Ain't It Lonesome (alt.)
As above. (S)

With "Fool's ..." as maybe an exception, the medium titles are rather dry and do not swing much surprisingly enough, including the tenorsax. However, "... Lonesome" with two different versions are magnificent pieces of music, unusually beautiful; in this slow tempo BT's strong, emotional tone makes a profound impression.

**EDDIE VINSON**

NYC. May 22, 1950

Joe Wilder (tp), Tyree Glenn (tb), Eddie Vinson (as, vo), Buddy Tate (ts), Bill Graham (bar), Milt Buckner (p), Gene Ramey (b), Percy Brice (dm).

Four titles were recorded for King, no BT on "If You Don't Think I'm Sinking" and "My Big Brass Bed Is Gone" but:

K5916-3  
Queen Bee Blues
Solo 24 bars. (M)

K5918  
Jump And Grunt
Solo 24 bars. (M)

I know I may have this comment back in my face, but still: BT has really found his place, plays with top inspiration, and a few blues choruses here seem to have more excitement than one year's production with the Count! Particularly "Queen Bee ..." is really a thriller!!

**WYNONIE HARRIS VOCAL ACC. BY**

NYC. July 12, 1950

Joe Wilder (tp), Bill Graham (as, bar), John Greer, George Tate (ts), Sonny Thompson (p), Carl Fruitt (b), Alfred Walker (dm).

Three titles were recorded for King:

K5932  
Mr. Blues Is Coming To Town
Solo 24 bars. (M)

K5933  
I Want To Love You Baby
Solo 12 bars. (M)

K5934  
Put It Back
Solo 18 bars. (M)
A fine solo on "... Town" showing that BT thrives as a fish in water in such inspiring r&b surroundings! The two other titles are more ordinary.

**MABEL SCOTT VOCAL ACC. BY**  
**NYC. July 15, 1950**  
Joe Wilder (tp), Henderson Chambers (tb), Reuben Phillips, Clement Poussaint (as), Buddy Tate (ts), Sonny Thompson (p), Carl Pruitt (b), Sonny Payne (dm).  
Four titles were recorded for King, "Willow Weep For Me" has no BT but:

- **K5935** Disgusted  
  Solo 24 bars. (M)
- **K5936** I'll Always Belong To You  
  Intro 4 bars. (S)
- **K5938** Subway Blues  
  Solo 12 bars. (M)

BT obviously enjoys himself, even using the flagoletto on "Subway ..."!

**OLLIE SHEPARD WITH HOT LIPS PAGE AND HIS ORCHESTRA**  
**NYC. Nov. 1, 1950**  
Hot Lips Page (tp), Alfred Cobbs (tb), Vincent Bair-Bey (as, bar), Buddy Tate (ts), Ollie Shepard (p, vo), Carl Wilson (b), Clay Burt (dm).  
Four titles were recorded for Columbia/Okeh:

- **44586** Crazy With The Blues  
  Solo 12 bars. (SM)
- **44587** Baby Blues  
  Intro 2 bars. Solo 12 bars. (SM)
- **44588** Don’t Know Come Knockin’  
  Solo 12 bars. (M)
- **44589** Big Fine Automobile  
  Intro 4 bars. Soli 4 and 4 bars. (M)

Groovy tenorsax playing here! Postscript of Dec. 7, 2017: Yes, all four items are quite noteworthy.

**"SCAT MAN" BAILEY WITH BUDDY TATE's BAND**  
**NYC. Nov. 29, 1950**  
Emmett Berry (tp), Dicky Wells (tb), Buddy Tate (ts), Dave McRae (bar), Sam Price (p), Al Norris (g), Walter Page (b), Walter Johnson (dm).  
Four titles were recorded for Federal, two issued, no tenorsax on "Raindrop Blues" but:

- **F-104** My Oh My  
  Solo with ens 24 bars. (FM)

Fine jumping here!

**SLIM GAILLARD AND HIS ORCHESTRA**  
**NYC. May 25, 1951**  
Buddy Tate (ts), Maceo Williams (p), Slim Gaillard (g, vo), Clyde Lombardi (b), Charlie Smith (dm), Pepe Benque (cga), (vo-ens-"... Good").  
Five titles were recorded for Clef, three have BT:

- **552** Oh, Lady Be Good  
  Solo 32 bars. (FM)
- **553-5** Sabroso  
  Solo 16 bars. Coda. (M)
- **556-1** Federation Blues  
  Solo 24 bars. (SM)

Also here fine tenorsax playing, particularly “Sabroso”.

**NYC. Aug. 1951**  
Personnel as above, minus Benque, plus unknown (tp), (as), Bennie Green (tb).  
Four titles were recorded for Verve but no tenorsax soli.

**ROY ELDREDGE**  
**NYC. Aug. 1951**  
Roy Eldridge (tp, vo), Buddy Tate (ts), Teddy Brannon (p), Clyde Lombardi (b), Charlie Smith (dm).  
Five titles were recorded for Clef/Verve, four issued:

- **579-6** Baby, What's The Matter With You?  
  Obbligato riffs. Solo 24 bars. (M)
- **580-6** Yard Dog  
  Solo 32 bars. (F)
- **581-3** Sweet Lorraine  
  Faintly acc. (tp). (S)
- **582-5** Jumbo The Elephant  
  Duet with (tp) intro 8 bars.
This session should be noted as it seems to be BT's first mainstream session after toying with r&b for awhile (and also after this session). However the results are not too exciting. "Yard ..." is much too fast for BT, and only "Baby ..." has some interest.

**ED BARRON**

NYC. Sept. 12, 1951

Ed Barron alias Clyde Bernhardt (tb, vo), Buddy Tate (ts), George James (bar), Joe Black (p), Everett Barkdale (g), Walter Page (b), Jimmy Crawford (dm).

Date also given as Dec. 9.

Two titles were recorded for Derby, no BT on "Daisy Mae" but:

| D-778  | Cracklin' Bread | Solo 16 bars. (M) |

BT honks more than ever before, and this time he overreaches himself, the solo is quite unintertesting.

**DICKIE THOMPSON AND HIS ORCHESTRA**

NYC. Sept. 21, 1951

Taft Jordan (tp), Tyree Glenn (tb), Buddy Tate (ts), Cecil Payne (bar), Joe Black (p), Dickie Thompson (g, vo), Aaron Bell (b), Jimmy Crawford (dm).

Three titles were recorded for Decca, two issued, no BT on 81602 "Whiskey And Gin" but:

| 81601 | What's The Reason? | Solo with ens 16 bars. (SM) |

Very agitated this one!

**GEORGE JAMES / BIG JOHN GREER WITH HOWARD BIGGS' ORCHESTRA**

NYC. April 10, 1952

Bigband personnel including George James (as), Buddy Tate (ts).

Four titles were recorded for Victor, one has BT:

| 5977 | I Need You | Solo with orch 16 bars. (SM) |

Extremely rough playing, beautiful is certainly not, but interesting to hear BT venturing into this area, note the beginning of the last 8 bars!

**JIMMY LEWIS VOCAL ACC. BY BUDDY TATE's BAND**

NYC. June 26, 1952

Taft Jordan (tp), Claude Jones (tb), Eddie Barefield (cl, as), Buddy Tate, Budd Johnson (ts), Howard Biggs (p), Abie Baker (b), Charlie Smith (dm).

Three titles were recorded for Victor, two issued, no BT on "Cherry Wine" but:

| 6630 | Dark And Lonely Blues | Obbligato 8 bars. (S) |

**VICTORIA SPIVEY VOCAL ACC. BY VARETTA DILLARD / H-BOMB FERGUSON WITH LEROY KIRKLAND's BAND**

NYC. Summer 1952

Unknown (tp), (tb), (as), Buddy Tate (ts), unknown (p), (b), (dm).

Two titles, "Hey Hey St. Louis", "Tired O'Savin"", unissued?

| 4209 | Double Crossing Baby | Solo 12 bars. (S) |
| 4211 | Tortured Love | Solo with (vo) comments 12 bars. (S) |

Discos say unknown (ts), but this fat, strong, groovy tenorsax playing seems to me to be typical of BT!!!

**JIMMIE RUSHING VOCAL ACC. BY**

NYC. Sept. 23, 1952

Frank Galbraith (tp), Dicky Wells (tb), Pete Clark (as), Buddy Tate (ts), Fletcher Smith (p), Jimmy Shirley (g), Walter Page (b), Bobby Donaldson (dm).

Four titles were recorded for King, one has BT:

| K8288 | She's Mine, She's Yours | Obbligato parts. Solo 24 bars. (M) |

A disappointing session as such, rather unintreresting music material and underutilization of good soloists. BT's contribution on "... Yours" is rather ordinary, but the end of the solo shows some sense of humour.
JUMP TOWN ORCHESTRA  NYC. Sept. 25, 1952
Taft Jordan, Dick Vance, Red Solomon (tp), Benny Morton (tb), Hymie Schertzzer, George Dorsey (as), Buddy Tate (ts), Dave McRae (bar), Shorty Allen (p), Danny Perri (g), Cedric Wallace (b), Bunny Shawker (dm), Fred Norman (cnd, arr).
Four titles were recorded for Joe Davis, two have BT:

D173   The Miseries  Solo 8 bars. (SM)
D174   Jersey Turnpike  Solo 6 bars. (FM)

Nice band but too few solo spots, and BT's short contributions are ordinary.

BILLY WRIGHT VOCAL WITH  NYC. Oct. 8, 1952
Pat Jenkins (tp), John Haughton (tb), Ben Richardson (as), Buddy Tate (ts), Skip Hall (p), Carl Wilson (b), Bobby Donaldson (dm).
Four titles were recorded for Savoy but no BT.

VARETTA DILLARD VOCAL WITH BUDDY TATE'S ORCHESTRA  NYC. July 1, 1953
Bobby Johnson (tp), Buddy Tate (ts), Haywood Henry (bar), Skip Hall (p), Carl Wilson (b), Billy Smith (dm).
Four titles were recorded for Savoy, three issued, “I Love You” not available, no BT on “I Love You Just The Same” but:

4395   I Only Had A Little  Solo 16 bars. (M)

Good as usual.

DANNY "RUN JOE" TAYLOR VOCAL WITH  NYC. 1953
Budd Johnson, Buddy Tate (ts), Dave McRae (bar), Earl Williams (p), unknown (g), (b), (dm).
Two titles were recorded for Victor, one has been available:

2489   'Gator Tail  Obbligato 48 bars. (S)

Typical wailing BT in the background most of the record through.

BABS GONZALES  NYC. Oct. 9, 1953
Hal Mitchell, Gil Askey (tp), Bob Range (tb), Buddy Tate (ts), Maurice Simon (bar), Hank Jones (p), Curly Russell (b), Osie Johnson (dm). Various sources have erroneously given James Moody and Hugh Brodie as tenorsax player here.
Four titles were recorded for Savoy, two issued:

8600   Get Outa That Bed  2/2 with (vo) 16+8 bars, solo 8 bars on bridge. (M)
8601   The Boss Is Back / Ornithology  Solo 16 bars. (M)

Unmistakably BT on these interesting items.

BUDDY TATE  NYC. March 29, 1954
Pat Jenkins (tp), Eli Robinson (tb), Ben Richardson (cl, as, bar), Buddy Tate (ts), Skip Hall (p, org), Flat Top Wilson (b), Clarence Donaldson (dm).
Seven titles recorded for Baton, issued on Black & Blue:

5312   Jackie  Solo 48 bars to coda. (S)
5313   Fatback And Greens  Intro 4 bars. Break 4 bars to solo 3 choruses of 12 bars. Coda. (M)
5315   Blue Buddy That Girl  Solo 4 choruses of 12 bars. (S)  Solo 48 bars. (M)
5316   Tate-A-Tate  Solo 5 choruses of 12 bars. (M)
5317   Skip A Page  Intro 4 bars. Solo 5 choruses of 12 bars. Coda 4 bars. (M)
5330   Sent For You Yesterday  Solo 3 choruses of 12 bars to straight 2 choruses. (M)

This and the one of Nov. 28, 1954 must be BT's most important sessions ever!! I prefer to comment them together. On these marathon nights he gives everything he has got, demonstrating clearly that he now is one of the most important tenorsax players in what became known as the "mainstream" style. There is not much
democracy here, his fellow musicians are allocated only a brief solo, BT takes it all! But never before or later did he play like this!! Every title is superb, even the uptempo ones are well done. There are a dozen masterpieces, just start randomly. The blues are heavily presented, and "Blue Buddy", "Fatback ..." and "Sent For You ..." are just in that groove. Or just you go for the opening phrases on "That Girl"!! Advice: Spend a night with this session and be delighted!!!

LARRY DARNELL  
NYC. April 1, 1954
Unknown personnel including Buddy Tate (ts).
One title (or more) was recorded for Okeh:

Give Me Your Love  Solo 12 bars. (M)

This is obviously BT in his very personal style, any information about the session?

MEL POWELL AND HIS ALL STARS  
NYC. April 9, 1954
Buck Clayton, Ruby Braff (tp), Urbie Green, Vernon Brown (tb), Tony Scott (cl), Lem Davis (as), Buddy Tate (ts), Mel Powell (p), Steve Jordan (g), Mill Hinton (b), Jo Jones (dm). Eddie Shu (ts), Teddy Napoleon (p), Gene Krupa (dm) added on 51389.
Three titles were recorded live at Carnegie Hall for Columbia (a fourth title without BT):

51387  I Found A New Baby  Solo 3 choruses of 32 bars. (F)
51388  Lighthouse Blues  Solo 5 choruses of 12 bars. (M)
51389  After You've Gone  Solo 2 choruses of 40 bars. (F)

A fine jam session mainly because of Mel Powell and Buck Clayton, but BT contributes convincingly, particularly his blues "shouting" on "Lighthouse ..." is noteworthy.

BUCK CLAYTON'S BAND  
NYC. July 1, 1954
Buck Clayton, Ruby Braff (tp), Benny Morton (tb), Buddy Tate (ts), Jimmy Jones (p), Steve Jordan (g), Aaron Bell (b), Bobby Donaldson (dm).
Three titles were recorded for Vanguard (a fourth title without Morton and Tate):

I Can't Get Started  Solo 16+8 bars, (p) on bridge. Solo 8 bars. (S)
Kandee  Solo 64 bars. (F)
Love Is Just Around The Corner  Solo 16 bars. (M)

With this "main stream" session, BT is back in line! Having spent most of his life in the confines of the Basie band, then seeking a few years of delayed delinquency protest in r&b environments, he is now back in swing music. The Vanguard policy represented a wholehearted and quite successful attempt to give swing a new start, and there are many very successful sessions. This is one of them, and BT seems to enjoy the opportunity. The slow "... Started" is played magnificently, and "Love ..." is also an earopener, note the opening as well as how he continues into a mellow second eights. BT should be considered one of the important tenorsax player of the swing tradition when entering the late fifties.

BUDDY TATE  
NYC. Nov. 28, 1954
Personnel as March 29 plus Inez Washington (vo-"Run Away Baby","Night Life Papa").
Eight titles were recorded for Baton, issued on Black & Blue:

Run Away Baby  Solo 24 bars. (SM)
One O'Clock Jump  Solo 24 and 36 bars. (M)
Blue And Sentimental  Solo 36 bars to long coda. (S)
Doggin' Around  Solo 3 choruses of 32 bars. (F)
Jumpin' At The Woodside  Break to solo 64 bars. (F)
There'll Never Be Another You  Solo 32 bars. Solo 12 bars to long coda. (S)
Night Life Papa  Intro 4 bars to solo 12 bars. (S)
Time On My Hands  Solo 40 bars to coda. (S)
This excellent BT session has already been highlighted together with the one on March 29. Note magnificent playing on standards like "... Sentimental", "... Another You" and "... Hands"!

**JIMMY RUSHING VOCAL ACC. BY**

**NYC. Dec. 1, 1954**

Pat Jenkins (tp), Henderson Chambers (tb), Ben Richardson (as), Buddy Tate (ts), Sammy Price (p), Walter Page (b), Jo Jones (dm).

Seven titles were recorded for Vanguard, three have BT:

- Boogie Woogie: Solo 24 bars. (FM)
- Leave Me: Solo 24 bars. (S)
- Sent For You Yesterdays: In ens 12 bars to solo 36 bars. (M)

A fine follow-up of the previous Vanguard session; this is one of Rushing's finest dates with a masterly rhythm section, and BT is in excellent shape. While he swings merrily on the medium titles, his slow solo on "Leave Me" is particularly memorable!!

**BUCK CLAYTON JAM SESSION**

**NYC. March 15, 1955**

Personnel including Coleman Hawkins, Buddy Tate (ts), for details see former.

Four titles were recorded for Columbia:

- 52630-2 Rock-A-Bye Basie: Soli 8, 32 and 4 bars. (M)
- 52630-3 Rock-A-Bye Basie: As above. (M)
- 52631-1 Out Of Nowhere: Solo 16 bars. (SM)
- 52631-2 Out Of Nowhere: As above. (SM)
- 52632-1 Blue Lou: Solo 64 bars. (FM)
- 52632-R Blue Lou: As above. (FM)
- 52633-1 Broadway: Soli 64, 4, 4 and 8 bars. (FM)
- 52633-2 Broadway: As above plus soli 8 and 8 bars. (FM)

This famous jam session represents a fine start for BT entering the late fifties, showing that his simple but utterly effective and emotional tenorsax playing really works. Beautiful versions of "... Nowhere", but it seems the highlights are in medium tempo with "Broadway" take 2 being the most exciting item. Note also two choruses of exchange with Hawk (only one chorus on take 1), a real thriller! This period will be shown to be BT’s most important one, now as a prominent mainstream swinger.

**BETTE McLARIN VOCAL WITH**

**NYC. 1955**

Buddy Tate (ts), unknown (rhythm), The Four Fellows (v-vo-group).

Two (or more) titles were recorded for Glory, no tenorsax solo on "Petticoat Baby" but:

- 268 I Am Past Sixteen: Obbligato parts. Solo 4 bars. (S)

Although the personnel is given in discographies as unknown, this is a BT item with good qualities, no doubt!!

**BUDDY TATE**

**NYC. 1955-56**

Pat Jenkins (tp), Eli Robinson (tb), Ben Richardson (cl, as, bar), Buddy Tate (ts), Skip Hall (p, org), Flat Top Wilson (b), Clarence Donaldson (dm), Inez Washington (vo).

Six titles were recorded for Halo:

- Wailing: Solo 32 bars. (M)
- Moondust: Solo 3 choruses of 32 bars. (F)
- Rough Ridin': Solo 24 bars. (SM)
- Skip It: Solo 3 choruses of 32 bars. (F)
- Lonely Christmas: Solo/straight 32 and 8 bars to coda. (S)
- Snowy White Christmas: Solo/straight 48 bars to coda. (S)

The session is ok, as are the soli contributions, but nothing special on the first four titles. “Rough ...” in fast tempo is a bit too rough (I presume the titles “Moondust” and “Rough ...” have been switched!). But the two last titles certainly are special!
To have BT playing Christmas songs is not everyday experience, and even if he does not go deep into improvisations, these are some surprising and original pieces of doubtful jazz music but charming tenorsax!

**JIMMY RUSHING & HIS ALL STARS**  
**NYC. Aug. 16, 1955**
Emmett Berry (tp), Lawrence Brown (tb), Rudy Powell (cl, as), Buddy Tate (ts), Pete Johnson (p), Freddie Green (g), Walter Page (b), Jo Jones (dm), Jimmie Rushing (vo).

Nine titles were recorded for Vanguard, no BT on "Good Mornin’ Blues", "Take Me Back Baby" and "Roll ‘Em Pete", but:

- Every Day  
  Solo 24 bars. (SM)
- Rock And Roll  
  Solo 24 bars. (FM)
- Evenin’  
  Obbligato 32 bars.  
  Solo 64 bars. (FM)
- See See Rider  
  Solo 12 bars. (S)
- It’s Hard To Laugh And Smile  
  Break to solo 32 bars. (M)
- Don’t Cry Baby  
  Solo 16 bars. (S)

A delightful session with an excellent rhythm section and Pete running the show, and Jimmie never singing better! Taking part in one of the best Vanguard productions, BT plays his very best on all items, always entering the stage in his own personal way with a lot of charisma. It does not matter that we know his recipe very well by now, kind of similar to how we dig Erroll Garner; we are rarely surprised at BT’s soli, but nevertheless they sound fresh and inspired. The slower tempi are his strength, and he rolls it on ”... Rider”, ”... Day” and ”... Baby”. But give ”Evenin’” and ”... Roll” a try too!!

**JIMMY RUSHING VOCAL WITH BUCK CLAYTON & HIS ORCHESTRA**  
**NYC. Nov. 6, 1956**
Buck Clayton (tp, arr), Ernie Royal (tp), Vic Dickenson (tb), Hilton Jefferson (as), Buddy Tate (ts), Danny Bank (bar), Hank Jones (p), Clifton ”Skeeter” Best (g), Milt Hinton (b), Jo Jones (dm).

Three titles were recorded for Columbia, issued as ”The Jazz Odyssey of Jimmy Rushing Esq.”:

- 56714  
  Careless Love  
  Solo 32 bars. (FM)
- 56715  
  Doctor Blues  
  Solo 12 bars. (SM)
- 56716  
  Rosetta  
  Solo 32 bars. (FM)

**NYC. Nov. 7, 1956**
Buck Clayton (tp), Vic Dickenson (tb), Buddy Tate (ts), Cliff Jackson (p), Walter Page (b), Jo Jones (dm). Three titles:

- 56719  
  Piney Brown Blues  
  Solo 12 bars. (SM)
- 56720  
  Tain’t Nobody’s Business IID  
  Solo 16 and 16 bars. (FM)
- 56721  
  I’m Gonna Move To TOOT  
  Solo 12 bars. (SM)

These are delicious sessions with excellent rhythm section and a lovely blues feeling combined with Clayton’s masterly leadership. Rushing is at his best here, and BT’s solo contributions are among his best. We know his tricks by heart, nevertheless he uses them again and again to swinging success, from the slow highlight ”Piney ...” to the fast medium ”... Business”.

**JIMMY RUSHING**  
**NYC. March 5, 1957**
Emmett Berry (tp), Vic Dickenson (tb), Buddy Tate (ts), Clarence Johnson (p), Marlowe Morris (org), Roy Gaines (g), Aaron Bell (b), Jo Jones (dm), Jimmie Rushing (vo).

Eight titles were recorded for Vanguard, issued as ”If This Ain’t The Blues”, no BT on ”I Can’t Understand” and ”Take Me With You Baby” but:

- My Friend Mr. Blues  
  Solo 24 bars. (SM)
- Sometimes I Think I Do  
  Solo 24 bars. (SM)
- If This Ain’t The Blues  
  Solo 24 bars. (SM)
- Dinah  
  Solo 32 bars. (FM)
This session cannot in general compare to the previous Rushing/Vanguard session, the different rhythm section including a misplaced organ and a too active juke box blues guitar do not at all support the vocalist nor the soloists as expected. Choice of material can also be questioned, "Pennies ..." and "Dinah" have quite uninspired vocal, the latter also in much too fast tempo. BT however does what he can and have several good soli in slow medium tempo, with just "Pennies ..." as a nice highlight. The slow "... Love" also contributes to making the session successful, for BT that is.

**JIMMY RUSHING**

NYC. April 9, 1957

Seldon Powell, Buddy Tate (ts), Haywood Henry (bar), Clarence Johnson (p), Everett Barksdale, Lord Westbrook (g), Milt Hinton (b), Gene Brooks (dm).

Two titles were recorded for Okeh, both have tenorsax, probably one by BT:

57690  My Last Affair  Solo 8 bars. (S)

Competent solo without being particularly noteworthy.

**BUCK CLAYTON**

NYC. Oct. 4&8, 1957

Buck Clayton (tp), Vic Dickenson (tb), Buddy Tate (ts), Dick Katz (p), Walter Page (b), Bobby Donaldson (dm).

Nine titles were recorded for Philips, no BT on 59031 "I Hadn’t Anyone Till You" but:

59022  Jive At Five  Solo 64 bars. (M)

59023  Cookin’ Joe C  Solo 64 bars. (FM)

59024-2  Lovedrop  Solo 2 choruses of 12 bars. (M)

59025-3  Wooster-shire  Solo 64 bars. (FM)

59030-4  Thou Swell  Solo 32 bars. (FM)

59032-5  At Sundown  Break to solo 32 bars. (M)

59033  Makin’ Whoppee  Solo 4 and 16 bars. (SM)

59034-1  You Can’t Fight The Satellite Blues  Solo 24 bars. (S)

This is a disappointing session due to a rather miserable rhythm section, the piano playing is so tame and uninspiring that no real mainstream swinging can develop, and the drummer is no better, showing slight understanding of what this music needs. "Jive ...", the opening number, demonstrates this all too clearly. Buck is in good shape, and BT also does his best under the circumstances, but inspiration is obviously lacking. "Lovedrop" is one of his better works here, and the slow blues at the session end is not at all bad, but in general I expected much more from this get-together.

**DICKIE WELLS**

NYC. Feb. 4, 1958

Buck Clayton (tp), Dickie Wells (tb), Rudy Rutherford (cl, bar), Buddy Tate (ts, bar), Skip Hall (p), Everett Barksdale (g), Major Holley (b), Jo Jones (dm).

Three titles were recorded for Felsted:

- Hello Smack!  Solo 12 and 12 bars to 24 bars 4/4 with cl. (M)
- Come And Get It  Solo 24 bars. (SM)
- Stan’s Dance  Solo 64 bars. (FM)

Another nice mainstream session with well functioning rhythm section, and a leader in good shape. I have heard more exciting BT than in "Hello ..." and "... Dance", but he takes a lovely solo on "... Get It"!

**BUDDY TATE ALL STARS**

NYC. Feb. 12, 1958

Buck Clayton (tp), Dickie Wells (tb), Earle Warren (as, bar), Buddy Tate (ts), Skip Hall (p), Lord Westbrook (g), Aaron Bell (b), Jo Jones (dm).

Three titles were recorded for Felsted, issued as "Swingin’ Like ... Tate":

Moon Eyes  Solo 32 bars. (SM)
Rockin’ Steve
Solo 4 choruses of 12 bars. (M)

Rompin’ With Buck
Solo 64 bars. (FM)

If not quite like a formal Buck Clayton session, it is close in spirit and has a lot of fine mainstream music and firm rhythm section. My favourite is Buck’s own composition (he is most underrated as such!!) ”... Steve, swinging just like that, with BT and Buck taking very nice soli. Note a big tenorsax reed squeak on ”Rompin’”!

**JIMMY RUSHING**

N.Y.C., Feb. 20, 1958
Emmett Berry, Mel Davis, Buck Clayton, Bernie Glow (tp), Vic Dickenson, Dickie Wells, Urbie Green (tb), Earl Warren, Rudy Powell (as), Buddy Tate, Coleman Hawkins (ts), Danny Bank (bar), Nat Pierce (p), Danny Barker (g), Milt Hinton (b), Jo Jones (dm), Jimmy Rushing (vo).

Four titles were recorded for Columbia, two have BT:

<table>

<tbody>
<tr>
<td>I'm Coming Virginia</td>
<td>Solo with orch 16 bars. (M)</td>

</tr>
<tr>
<td>June Night</td>
<td>Solo 16 bars. (M)</td>

</tr>
</tbody>
</table>

N.Y.C., Feb. 26 & 27, 1958
Personnel as above except Doc Cheatham (tp), Frank Rehak (tb), Osie Johnson (dm) replace Glow, Dickenson and Jones.

Eight titles, two have BT:

<table>
<thead>
<tr>
<th>Title</th>
<th>Choruses/Bars</th>

<td>Harvard Blues</td>
<td>Solo 20 bars. (SM)</td>
<td></td>
</tr>
<tr>
<td>When You're Smiling</td>
<td>Solo 16 bars. (FM)</td>

</tr>
</tbody>
</table>

These are Rushing’s sessions, but BT takes a few although not particularly remarkable soli, best is the old ”Harvard ...”.

**BUDDY TATE & HIS QUINTET**

N.Y.C., Feb. 26, 1958
Pat Jenkins (tp), Eli Robinson (tb), Ben Richardson (ts, as), Buddy Tate (cl, ts), Skip Hall (p), Everett Barksdale (g), Joe Benjamin (b), Herbert Lovelle (dm).

Three titles were recorded for Felsted:

<table>
<thead>
<tr>
<th>Title</th>

<tr>

<td>Intro 4 bars. Break to solo 2 choruses of 12 bars. Solo 9 choruses. (FM)</td>

<td></td>
</tr>
<tr>
<td>Miss Sadie Brown</td>
<td>Break 2 bars to solo 4 choruses of 12 bars. (SM)</td>
<td></td>
</tr>
</tbody>
</table>

A session in the middle range, we miss Buck Clayton, and the rhythm section does not quite make the fast medium tempo, thus this ”Bottle It” is no particular pleasure. The slower items however should be noted, particularly ”... Sadie ... ” has good and groovy BT!!

**BENNY GOODMAN & HIS ORCHESTRA**

N.Y.C., July 4, 1958
Personnel including Buddy Tate (ts).

Six titles recorded at the Newport Jazz Festival, three have BT:

<table>
<thead>
<tr>
<th>Title</th>
<th>Choruses/Bars</th>
<th>Source</th>
</tr>
</thead>
<tbody>
<tr>
<td>Boogie Woogie</td>
<td>Solo 4 choruses of 12 bars to weak obbligato parts. (M)</td>

<td>Solo 10 bars. (FM)</td>
<td></td>
</tr>
<tr>
<td>One O’Clock Jump</td>
<td>Solo 12 bars (last ts-solo). (M)</td>
<td></td>
</tr>
</tbody>
</table>

Strong, masculine opening opening of “… Woogie”, a fine item. “… Jump” is just as expected. ”Cherokee”, however, is so timid and of slight interest.

**THE NEWPORT BLUES BAND**

N.Y.C., July 5, 1958
Buck Clayton (tp), Jack Teagarden (tb), Tony Scott (cl), Rudy Rutherford (cl, bar), Buddy Tate, Georgie Auld (ts), Ray Bryant (p), Kenny Burrell (g), Tommy Bryant (b), Jo Jones (dm), with Chuck Berry (vo), Big Maybelle (vo), Joe Turner (vo) / Pete Johnson (p) added on different sets.

Fourteen titles were recorded at the Newport Jazz Festival, only one has BT:

<table>
<thead>
<tr>
<th>Title</th>
<th>Choruses/Bars</th>
<th>Source</th>
</tr>
</thead>
<tbody>
<tr>
<td>Feeling Happy</td>
<td>Solo 3 choruses of 12 bars. (FM)</td>
<td></td>
</tr>
</tbody>
</table>

Although pushing it hard, BT does not make it here on the Turner set, and the second chorus is a real mess.
BENNY GOODMAN & HIS ORCHESTRA  
NYC. July 14, 1958
Big band personnel including Buddy Tate (ts).
Three titles were recorded for Park Recording Co., "Cherokee", "Macedema Lullaby" and "The King And Me", but no BT.

REX STEWART AND 
The Henderson All Stars  
East Islip, NY. Aug. 1, 1958
Rex Stewart (cnt), Allen Smith, Joe Thomas, Paul Webster, Taft Jordan (tp), Benny Morton, Dickie Wells, Leon Comegys (tb), Hilton Jefferson, Garvin Bushell (cl, as), Buddy Tate, Bob Wilber (ts), Dick Cary (E-flat horn), Haywood Henry (bar), Red Richards (p), Chauncey Westbrook (g), Bill Pemberton (b), Mousie Alexander (dm), Big Miller (vo).
Seven titles were recorded at the Great South Bay Jazz Festival, three have BT:

- D Natural Blues  
Solo 24 bars. (M)

- Hello Little Girl  
Solo 12 bars. (FM)

- Georgia Sketches  
Solo with orch ca. 42 and 96 bars. (M)

Groovy solo on "D Natural ..." while "Hello ..." is more ordinary. BT's main feature however is "Georgia ...", a kind of concerto, where he plays an important part, particularly the last exuberant solo is impressive!

JOE THOMAS AND HIS ALL STAR GROUP  
NYC. Oct. 27, 1958
Joe Thomas, Johnny Letman (tp), Dickie Wells (tb), Buster Bailey (cl), Buddy Tate (ts), Herbie Nichols (p), Everett Barksdale (g), Bill Pemberton (b), Jimmy Crawford (dm).
Four titles were recorded for Atlantic:

- Sweethearts On Parade  
Solo 32 bars. (M)

- Blues For Baby  
Solo 24 bars. (S)

- I Can't Believe That  
Solo 64 bars. (M)

- Crazy Rhythm  
Solo 32 bars. (FM)

A very fine mainstream session led by one of my favourite trumpet players and with an excellent rhythm section. BT swings firmly on the three medium titles, and I dare not choose my favourite one. However, I dare to appoint "... Baby" as one of BT's major soli in slow tempo, one of the highlights of a highlight item with an unforgettable guitar and lots of other good stuff!!

BUCK CLAYTON WITH HIS ALL STARS  
NYC. Nov. 25, 1958
Buck Clayton (tp, arr), Emmett Berry (tp), Dicky Wells (tb), Earl Warren (cl, as), Buddy Tate (ts), Al Williams (p), Gene Ramey (b), Herbie Lovelle (dm).
Eight titles were recorded for Columbia:

- Sunday  
Solo 32 bars. (FM)

- Swingin’ Along On Broadway  
Solo 32 bars. (M)

- Night Train  
Solo 24 bars. (SM)

- Buckini  
Solo 8, 32 and 8 bars. (FM)

- Moonglow  
Solo 8, 32 and 8 bars. (SM)

- Swingin’ At The Copper Rail  
Solo 24 bars. (FM)

- Mean To Me  
Solo 32 bars. (M)

- Outer Drive  
Solo 24 bars. (M)

A clean straightforward session with plenty of opportunities for everybody to blow. I am not too happy with the rhythm section, particularly the piano is out of style, and a guitar is sorely missing. However much good mainstream blowing to be heard, and BT is no exception, soloing nicely but predictably on seven items, for a highlight choose "Sunday". But there is an eight title, "Moonglow", which is on a more sublime level, one of the best BT contributions ever!!

VERY SAXY  
Hackensack, NJ. April 29, 1959
Arnett Cobb, Eddie "Lockjaw" Davis, Coleman Hawkins, Buddy Tate (ts), Shirley Scott (org), George Duvivier (b), Arthur Edgehill (dm).
Five titles were recorded for Prestige, issued as "Very Saxy":

- Light And Lovely  
Solo 3 choruses of 12 bars (2nd
BT contributes to the gorgeous sound of the tenorsax-four-clover-ensembles, and his soloing are first class, note as a particular highlight the shuffle ”... Lovely”.

**BUDDY TATE QUARTET**  
NYC. May 18, 1959
Buddy Tate (ts), Skip Hall (p), Gene Ramey (b), Herbie Lovelle (dm).
Five titles were recorded for Columbia(E), four issued:

- **Blues For Vi**  
  Soli 1 and 5 choruses of 12 bars to coda. (S)
- **The Vonce**  
  Straight 32 bars. Solo 64 bars to straight 8 bars. (M)
- **Teeny Weeny**  
  Straight 32 bars. Solo 64 bars to straight 8 bars. (M)
- **Potentate**  
  Solo 3 choruses of 32 bars. (FM)

Most beautiful the extended solo on “Blues …”!! “The Vonce” is simple but nice and relaxed, and the solo on “Teeny …” is also noteworthy! “Potentate” is the weakest item, here the piano accompaniment does not work.

**JIMMY RUSHING**  
NYC. June 11, 1959
Buddy Tate (ts), Sir Charles Thompson (org), Ray Bryant (p), Skeeter Best (g), Jo Jones (dm).
Four titles were recorded for Columbia:

- **'Deed I Do**  
  Obbligato parts to solo 32 bars. (FM)
- **Pink Champagne**  
  Obbligato parts. Solo 12 bars. (SM)
- **Three Long Years**  
  Obbligato parts. Solo 12 bars. (SM)
- **I Cried For You**  
  Obbligato parts. Solo 40 bars. (F)

**NYC. June 17, 1959**

Same. Four titles:

- **Good Rockin’ Tonight**  
  Solo 24 bars. (M)
- **Did You Ever?**  
  Obbligato 12 bars to coda. (S)
- **Say You Don’t Mean It**  
  Obbligato parts. Solo 24 bars. (M)
- **I Can’t Believe That YAILWM**  
  Solo 64 bars. (FM)

**NYC. June 19, 1959**

Same. Four titles:

- **Travel The Road Of Love**  
  Obbligato parts. (FM)
- **You Can’t Run Around**  
  Obbligato 12 bars. (S)
- **One Evening**  
  Intro 4 bars. Obbligato parts. (S)
- **Russian Lullaby**  
  Solo 64 bars. Obbligato parts. (F)

These Rushing sessions, without Hawkins, seem to inspire BT much more, here he is up and going on all items, lots of fine soli and background playing. Difficult to make choices, but “Did You …” is something, as well as “I Can’t Believe …” and “… Lullaby”. Happy swinging dates with a great singer, music to make you happy too!
BUDDY TATE possibly London, Sept. 1959
Buddy Tate (ts), Dave "Dex Lieberson" Lee (p), Gene Ramey (b), Herbie Lovelle (dm).

Three titles were recorded for Columbia(E):

Nice quartet session with a different atmosphere compared to most of the sessions around this time. The choice of “… Sentimental” is very conventional, but this extremely slow version is nevertheless original and most memorable. Fine blues playing on “Joey” and in particular “Blues …”!

BUCK CLAYTON Copenhagen, Sept. 17, 1959
Personnel as Nov. 25, 1958 with Jimmy Rushing (vo) added.

Eleven titles were recorded for Steeplechase, no BT on "Everyday I Have The Blues" and "Sent For You Yesterday" but:

Same personnel as for the Columbia recording session almost one year earlier, and same problem; the rhythm section is not up to standard with a lot of noisy drumming and sorely missing a Freddie Greene. Thus the general atmosphere is not as relaxed as necessary to make the best of swing music. When this is said, a session of more than one hour with these guys is bound to have nice details. Three fine Clayton compositions, "... Drive", "... Copper Rail" and "... Broadway" are somewhat disappointing with regard to BT, he sounds forced here. Best in upper tempi is "... Do", while "Night ..." in a pleasant slow medium is not quite working. In general the mood improves when Rushing enters the stage, and "... Little Girl" is very nice. Also "Moonglow" is a valuable BT item! But as implied, this concert could have been mainstream history with a better rhythm section.

BUCK CLAYTON Paris, Oct. 17, 1959
Same personnel. Six titles, no BT on "Sent For You Yesterday" and “On The Sunny Side Of The Street” but:

BUDDY TATE AND HIS ORCHESTRA  Hackensack, NJ Dec. 18, 1959
Pat Jenkins (tp), Eli Robinson (tb), Ben Richardson (cl, as, bar), Buddy Tate (ts), Sadik "Argonne Thornton" Hakim (p), Wendell Marshall (b), Osie Johnson (dm).
Six titles were recorded for Swingville, issued as “Tate’s Date”:

1953  Moon Dog  Solo 4 choruses of 32 bars. (F)
1954  Me ‘N’ You  Solo 5 choruses of 12 bars. (M)
1955  Blow Low  Solo 4 choruses of 12 bars. (SM)
1956  Miss Ruby Jones  Soli 2 and 2 choruses of 12 bars. (SM)
1957  Idling  Soli 32 and 16 bars to long coda. (S)
1958  No Kiddin’  Solo 6 choruses of 12 bars. (SM)

BT can leave the fifties with the flag on the top mast, having demonstrated that he is the one who best has kept the tradition and at the same time adapted successfully to the mainstream development. His unusual, even a little schmaltzy playing on “Idling” is emotional, warm and highly inspired, a lovely BT memory!! He also takes fine soli on “… You” and particularly “… Kiddin’”, both blues, typically. However, I am not too fond of the session as such, the other horns are not good enough, and the choice of rhythm backing is doubtful, the piano player is absolutely misplaced, and the drummer is also out of touch with the requirements of real swing music. In fact, mainstream made slowly suicide in the next decades by often mixing all kinds of styles into a non-performing rhythm section …. But back to BT, he is still a top swinger, better than ever with Basie!!

RAY BRYANT  NYC. March 2, 1960
Harry Edison (tp), Urbie Green (tb), Buddy Tate (ts), Ray Bryant (p), Tommy Bryant (b), Bill English (dm), Eddie Morrison (vo).
Two titles were recorded for Columbia, issued as “Madison Time”:

64398  Madison Time  Pt 1  Solo with (vo)-comments 24 bars. (M)
64399  Madison Time  Pt 2  Solo 24 bars. (M)

A bit too commercial for me with emphasis on the vocal and monotonous blues, but there is nothing wrong with BT’s playing.

BUDDY TATE & HIS SEXTET  NYC. March 15, 1960
Pat Jenkins (tp), Rudy Rutherford (cl), Buddy Tate (ts), Skip Hall (p), Gene Ramey (b), Gerard “Dave” Pochonet (dm), Eddie Morrison (talking-64750-54).
Ten titles were recorded for Harmony, issued as “The Madison Beat”:

64750  Madison Time  Pt 1  Solo 36 bars. (M)
64751  Crazy Nine  Pt 1  Solo 24 bars. (M)
64752  Madison Bird  Pt 1  Solo 24 bars. (M)
64753  Lambeth Stroll  Pt 1  Solo 24 bars. (M)
64754  Frisky Feet  Pt 1  Solo 36 bars. (FM)
64755  Madison Time  Pt 2  Solo 36 bars. (M)
64756  Crazy Nine  Pt 2  Solo 24 bars. (M)
64757  Madison Bird  Pt 2  Solo 24 bars. (M)
64758  Lambeth Stroll  Pt 2  Solo 24 bars. (M)
64759  Frisky Feet  Pt 2  Solo 36 bars. (FM)

This is a session for teaching you “The Basic Madison Steps”, and everything is trodding blues in almost the same tempo. Have you heard one title you have heard them all. On the Pt1s Morrison is talking all the time on top of the solo, while he shuts his mouth on the Pt2s, so that people can practice the dancing. Altogether BT takes 24 blues choruses, but there are more interesting sessions with this great tenorsax player.

RAY BRYANT  NYC. March 16, 1960
Harry Edison (tp), Benny Morton (tb), Buddy Tate (ts), Ray Bryant (p), Tommy Bryant (b), Jimmy Griffin (dm), Eddie Morrison (talking).
Three titles were recorded for Columbia:

64760  Young Buddy  Solo 24 bars. (M)
NYC. March 22, 1960

Same, except Al Grey (tb), Dave Pochonet (dm) replace Morton and Griffin.

Four titles:

64763  Split It  Pt 1  Solo with (vo)-comments 24 bars. (M)
64764  Split It  Pt 2  Solo 36 bars. (M)
64765  Hit It  Pt 1  Solo with (vo)-comments 24 bars. (FM)
64766  Hit It  Pt 2  Solo 36 bars. (FM)

Continuing the March 2 session, and the impression of commercialism is strengthened. All items are pretty alike, and BT while playing competently is doing the same blues chorus more or less over and over again.

CLAUDE HOPKINS & HIS ALL STARS  
NYC. March 25, 1960

Emmett Berry (tp), Buddy Tate (ts), Claude Hopkins (p), Wendell Marshall (b), Osie Johnson (dm).
Six titles were recorded for Swingville, issued as “Yes, Indeed!” (2093 “Morning Glory” is a feature number for CH without BT):

2088  What Is This Thing Called Love  Break to solo 32 bars. (M)
2089  Empty Bed Blues  Solo 24 bars. (S)
2090  Willow Weep For Me  Solo 32 bars. Acc. (tp). (S)
2091  Yes Indeed!  Solo 48 bars. (SM)
2092  It Don’t Mean A Thing  In ens. Solo 32 bars. (M)
2094  It Is So  In ens. Solo 32 bars 32 bars 4/4 with (tp). In ens. (FM)

This is just such a delicate and lovely session! It swings easily and warmly in the way the best of mainstream could ever do, and Hopkins is obviously a very important inspiration factor. BT is inspired by this friendly atmosphere, and his soloing is superb, whether it is a swinging and groovy medium tempo like “… Thing”, a bit slower as the album title, or even more exciting, “Yes …”, dig this one! And if you ever was in doubt, BT was a master in slow tempo, the blues in “… Bed …” is great, and the session highlight, if something should really be even better than the rest; “Willow …”, a masterpiece! A great BT session and also to be mentioned, beautiful trumpet playing (need to extend the Emmett Berry solography …)!}

BUDDY TATE  
Englewood Cliffs, NJ. Oct. 18, 1960

Clark Terry (tp, flh), Buddy Tate (ts), Tommy Flanagan (p), Larry Gales (b), Art Taylor (dm).
Six titles were recorded for Swingville, issued as “Tate-A-Tate”:

2612  Groun’ Hog  Solo 3 choruses of 12 bars. (S)
2613  Buddy’s Tate-A-Tate  Soli 8 and 32 bars. Solo 32 bars to 32 bars 4/4 with (tp). Solo 8 bars. (FM)
2614  Snatchin’ It Back  Soli 8, 64 and 8 bars. (M)
2615  All Too Soon  Solo 48 bars to coda. (S)
2616  Take The A Train  Solo 3 choruses of 32 bars to 2 choruses 4/4 with (flh). (FM)
2617  No. 20 Ladbroke Square  Acc. (tp) 24 bars to solo 9 choruses of 12 bars. (SM)

I have a slight feeling that this is not BT’s favourite accompaniment, as professional as it is, note the drums behind him on “… A Train”. Nevertheless, there is excellent music on this session. “All …” is a feature number for BM BT accompanyin him for the last part, rather straight played but very beautiful. A groovy very slow blues on “… Hog”, and particularly a groovy not so slow blues on “… Square” to be noted as the session highlight.

NANCY HARROW  
& BUCK CLAYTON ALL STARS  
NYC. Nov. 2&3, 1960
Buck Clayton (tp), Dicky Wells (tb), Tommy Gwaltney (cl, as), Buddy Tate (ts), Danny Bank (bar), Dick Wellstood (p), Kenny Burrell (g), Milt Hinton (b), Oliver Jackson (dm), Nancy Harrow (vo).

Eight titles were recorded for Candid, issued as “Wild Women Don’t Have The Blues”, four have BT:

- Take Me Back Baby
  Solo 24 bars. (SM)
- Can’t We Be Friends?
  Solo with ens 16 bars. (S)
- I Don’t Know What Kind OBIG
  Obbligato 12 bars. (S)
- Blues For Yesterday
  Solo 24 bars. (S)

A delicate swing session, as a whole a great pleasure to listen to, and a fine vocalist, what happened to her? BT’s contributions are excellent, dig his background playing on “I Don’t …”! Or his fine blues on “… Yesterday!!

BUCK CLAYTON & BUDDY TATE Englewood Cliffs, NJ. Dec. 20, 1960
Buck Clayton (tp), Buddy Tate (ts), Sir Charles Thompson (p), Gene Ramey (b), Mousie Alexander (dm).

Five titles were recorded for Swingville (2770 “When A Woman Loves A Man” without BT), issued as “Buck & Buddy”:

- 2766 High Life
  Soli 4 and 2 choruses of 12 bars to 4 choruses 4/4 with (tp). (F)
- 2767 Can’t We Be Friends?
  Solo 32 bars to duet with (tp) 16 bars. (M)
- 2768 Birdland Betty
  Solo 4 choruses of 12 bars. (SM)
- 2769 Kansas City Nights
  Solo 4 choruses of 12 bars. (M)
- 2771 Thou Swell
  Solo 32 bars. (M)

The fine Clayton/Tate team continues! I sorely miss a guitar, and there is too much drums here, nevertheless there are many first rate tenorsax contributions, from the uptempo “… Life” which he handles well, through a strong “… Swell”, a soft “… Friends?”, to a swinging “… Nights”. But the session highlight is the surging “Birdland …”, dig this one!!

RAY BRYANT NYC. Dec. 27, 1960
Harry Edison (tp), Ben Richardson (as, bar), Buddy Tate (ts), Ray Bryant (p), Bill Lee (b), Gus Johnson (dm), Ray Barretto (bgo).

Three titles were recorded for Columbia, “Walk No More” and “Sack O’Woe” have not been available but:

- 65744 Fast Twist
  Solo 24 bars. (FM)

Two swinging blues choruses here!

BUDDY TATE Englewood Cliffs, NJ. Feb. 17, 1961
Buddy Tate (cl, ts), Ronnell Bright (p), Wally Richardson (g), George Tucker (b), Roy Brooks (dm).

Seven titles were recorded for Swingville, issued as “Groovin’ With Buddy Tate”:

- 2872 I’m Just A Lucky So And So
  (cl)-Straight 16+8 bars, (g) on bridge to solo 32 bars.
  (cl)-Solo 12 bars to coda. (S)
- 2873 The Salt Mines
  Straight 2 to solo 4 choruses of 12 bars. (M)
- 2874 Blues For Trix
  Soli 12, 36 and 12 bars. (S)
- 2875 Makin’ Whopee
  Straight 32 bars to solo 64 bars. Straight 36 bars. (M)
- 2876 East Of The Sun
  Solo 2 choruses of 36 bars. Solo 12 bars to coda. (S)
- 2877 Overdrive
  Solo 4 choruses of 12 bars. (M)
- 2878 Boardwalk
  Solo/straight 6 choruses of 12 bars to coda. (S)

A pleasant and different session from most others from this period. A prominent and swinging rhythm section makes the medium tempo titles work fine. However, it is the slow items that really make this session highly noteworthy. Not only do
we get a lovely clarinet item, and two quite memorable slow blues items, but an interpretation of “East …” which belongs to BT’s very greatest treasures!!

CLAUDE HOPKINS  
NYC. Feb. 21, 1961
Joe Thomas (tp), Buddy Tate (cl, ts), Claude Hopkins (p), Wendell Marshall (b), J. C. Heard (dm).
Six titles were recorded for Swingville, issued as “Let’s Jam” (2882 “I Surrender Dear” is a feature number for CH without BT):

</tbody>
</table>

The second Hopkins session sounds different from the first one, the change from one brilliant trumpeter to another seems to create another atmosphere, but the quality of the music in general is not diminished. BT is soloing just fine, swinging the “… Anything …” and others in his just so personal way. Lowering the tempo, there are two beautiful blues choruses on “Offbeat …”, and the session highlight “I Apologize” gives us some of the most beautiful tenorsax playing BT ever put on record!! Finally, his clarinet playing on “… Evening” is a big and highly pleasant surprise!!

BUCK CLAYTON  
NYC. April 10, 1961
Buck Clayton (tp, arr), Emmett Berry (tp), Dicky Wells (tb), Earl Warren (cl, as), Buddy Tate (ts), Sir Charles Thompson (p, cel), Gene Ramey (b), Oliver Jackson (dm), Kenny Graham (arr).
Six titles were recorded for Columbia, issued as “One For Buck”:

More people on the session mean shorter soli for all, also for BT, but there is nothing wrong with his contributions here, all items have something of value. The highlight is the beautiful “… Mist”!!

BUCK CLAYTON’s ORCHESTRA

Polka Dots And Moonbeams  Solo 64 bars to very long coda. (S)
Moonglow  Soli 8, 32 and 8 bars. (SM)

Concert sessions without the clean sound of studio, and a hazy rhythm background, but the horns obviously have a nice time, also BT. He has several opportunities in lower tempi, note the lovely swinging “… Nest” and “Moonglow”, and his feature number “Polka Dots …”, great!!

BUCK CLAYTON  Brussels, Belgium, late April 1961
Personnel as above.
Seven titles were recorded at Palais Des Beaux Arts (others titles without BT present), no BT on “Swingin’ The Blues” but:

Swinging At The Copper Rail  Solo 5 choruses of 12 bars. (F)
Outer Drive  Solo 4 choruses of 12 bars. (M)
Robbins’ Nest  Solo 64 bars. (M)
Perdido  Solo 64 bars. (FM)
Moonglow  Soli 8, 32 and 8 bars. (SM)
Night Train  Solo 4 choruses of 12 bars. (M)

Got this CD recently, and the concert has more or less the same tunes as on the other concerts on this European tour. BT is good as always, nothing to add.

BUCK CLAYTON  Basel, Switzerland, May 2, 1961
Personnel as above.
Seven titles were recorded at concert in “Stadt-Casino”, no BT on “Swingin’ The Blues” and “St. Louis Blues” but:

Swinging At The Copper Rail  Solo 4 choruses of 12 bars. (F)
Robbins’ Nest  Solo 64 bars. (SM)
Outer Drive  Solo 5 choruses of 12 bars. (M)
Moonglow  Soli 8, 32 and 8 bars. (SM)
Night Train  Solo 4 choruses of 12 bars. (M)

The titles are much the same as in Paris, and the quality more or less the same, with better sound. However, since there is no “Polka Dots …”, the attention should be targetted to “… Nest” and “Moonglow”, compare them to the versions only ten days earlier!!

THE SWINGVILLE ALL STARS  NYC. May 19, 1961
Joe Thomas (tp), Vic Dickenson (tb), Pee Wee Russell (cl), Al Sears, Buddy Tate (ts), Cliff Jackson (p), Danny Barker (g), Joe Benjamin (b), J. C. Heard (dm).
Seven titles were recorded for Swingville, issued as “Years Ago”, five have BT:

3037  Things Ain’t What They Used To Be  Break to solo 24 bars. (SM)
3038  So Glad  Solo 32 bars.  Soli 4, 4 and 4 bars. (SM)
3040  I May Be Wrong  Solo 16 and 16 bars. (SM)
3041  Phoenix  Solo 32 bars. (M)
3043  Vic’s Spot  Solo 32 bars. (M)

A swinging rhythm section lays the base for an interesting session with good soloing from performers of quite different background, BT is no exception. For a highlight, listen to his delicate playing on “… Wrong”! Or why not try “… Spot”!

MARLOWE MORRIS  NYC. June 29, 1961
Matthew Gee (tb), Buddy Tate (ts), Marlowe Morris (org), Jo Jones (dm), Ray Barretto (cga).
Three titles were recorded for Columbia, issued as “Play The Thing”, two have BT:

67675/6  On The Trail Pt 1&2  Solo 16 bars. (S)
67677-2  Play The Thing  Solo with ens 24 bars. (M)
A terrible conga spoils most of the possibilities for fun, which in fact are slight. BT is sweet and lovely on “… Trail”, but “… Thing” is quite ordinary.

**BUCK CLAYTON**  
NYC. Sept. 15, 1961
Buck Clayton (tp), Buddy Tate (cl, ts), Sir Charles Thompson (p), Gene Ramey (b), Gus Johnson (dm).
Seven titles were recorded for Swingville, issued as “Buck And Buddy Blow The Blues”, (cl) “only” on 3214 “Blue Creek” but:

<tr>

</tbody>
</table>

This session swings more than most of them, due to a better drummer. It is all blues in different tempi, and BT has several valuable contributions. My favourite is “… If I Do” in medium tempo, or maybe “… Ebony”, both very groovy? Dig them both!!

**RAY BRYANT**  
NYC. Oct. 23&26, 1961
Joe Newman, Pat Jenkins (tp), Matthew Gee (tb), Buddy Tate (ts), Ray Bryant (p), Jimmy Rowser (b), Mickey Roker (dm), Don Covay (vo).
Seven titles were recorded for Columbia, issued as “Dancing The Big Twist”.

Although there are several soloists here to counter the monotony, this is just too much twist, all in the same tempo with the same structure; if you have heard one, you have heard them all. But BT is naturally professional as always.

**MARLOWE MORRIS**  
NYC. Jan. 31, 1962
Personnel as June 29, except Gus Johnson (dm) replaces Jones.
Four titles were recorded for Columbia, three issued:

</tr>
<tr>
<td>69337-10 Stompy Jones</td>
<td>Solo 32 bars. (FM)</td>
</tr>

Why anybody should put together a personnel like this is quite enigmatic. With regard to BT however, he swings happily on “… Around” and “Stompy …” and has a real highlight on “… Porgy”, lovely!

Peculiar session with organ and a terrible bongo interfering with the good old mainstream music by the three honoured gentlemen. Listening closely one will however find that BT in fact plays very good!

VICTORIA SPIVEY / HANNAH SYLVESTER / BUDDY TATE
NYC. June 7, 1962
Collective personnel: Eddie Barefield (cl, as), Buddy Tate (ts), Argonne “Sadik Hakim” Thornton (p), Lloyd Buchanan (b), Bobby Donaldson (dm), Victoria Spivey (vo-91, Hannah Sylvester (vo-84).
Five titles were recorded for Spivey, issued as “A Basket Of Blues”, no BT on 86 “A Basket Of Blues” and 87 “Mr. Cab” but:

82 Swingin’ Away Solo 32 bars. (M)
84 Hey Big Texas Solo 24 bars. (M)
91 Slimy Serpent Solo 12 bars. (S)

Delicate slow tenorsax on “Slimy …”, and “… Texas” swings very nicely, while “… Away” is more ordinary.

HERB ELLIS ALL-STARS
NYC. June 12/13, 1962
Frank Assunto (tp), Buddy Tate (ts), Ray Bryant (p), Herb Ellis (g), Jimmy Rowser (b), Gus Johnson (dm).
Eight titles were recorded for Columbia (three more without BT), issued as “The Midnight Roll”:

75523-3 Harper’s Ferry Solo 32 bars. (M)
75524-2 It Makes No Difference Now Soli/straight 16 and 16 bars. (SM)
75525-4 Herb’s Here Solo 3 choruses of 12 bars. (M)
75527-2 I Won’t Love You Solo 64 bars. (M)
75552-3 You’d Better Know It Solo 4 choruses of 12 bars. (FM)
75535-3 Symphony Solo 20 bars. (M)
75536-4 Things Ain’t What They UTB Solo 12 bars. (SM)
75537-2 Too Bad Break to solo 24 bars. (FM)

NYC. June 14, 1962
Personnel as above except Roy Eldridge (tp), Israel Crosby (b) replace Assunto and Rowser.
Five titles, three have BT:

75548-4 Roy Showed Solo 4 choruses of 12 bars. (FM)
75550-3 Broadway Solo 32 bars. (M)
75551-1 It Don’t Mean A Thing Solo 32 bars. (FM)

Although this session has a lot of good music, particularly guitar playing, I don’t feel BT really fits in, his typical trademarks of strength and groove seem to hang in the air. He is not so confident as usual, several fluffs in the otherwise nice “… Love You”, and his faulty start of “… Thing” should have demanded another take. Although there are some fairly good tenorsax items, like “Too Bad”, “Roy …” and “Broadway”, maybe it was a good idea to stay away from the recording studios for the coming two years to gain strength…?

Next recording session is in 1964, and the solography has to stop now, for the time being.

Late history:

Visited Europe several times in the 1960s including tour with own band in late 1968. Featured at London’s ‘Jazz Expo’ in November 1969, then guested in Europe with the ‘Saints and sinners’. He led a band with Paul Quinichette at the West End Café, New York (1975), and later performed and recorded with Jay McShann and Jim Galloway in Canada. In the 1980s he toured with the Texas Tenors, led by Illinois Jacquet, and played at jazz festivals in Newport (1980) and Cork (1983, 1985) and regularly at the Grande Parade du Jazz, Nice.
